PROFESSIONAL EXPERIENCE

Senior Finance Officer, Yayasan Gajah Sumatra

Jul 2022 – Dec 2023

Malang

1. Led a finance team of 7 across East, Central, and West Java, maintaining accurate records and strengthening finance controls for conservation programs spanning 20+ cities.
2. Managed monthly budget forecasts for the Java region, supporting planning for 6 active programs and office overheads.
3. Consolidated cost reports from 20+ cities, cutting reporting turnaround by 2 days and improving visibility for senior management.
4. Oversaw grant disbursements across 6 program areas — including nursery and planting, monitoring and patrolling, women's development, social awareness, and research — ensuring compliance with funding agreements throughout the grant period.
5. Prepared 5 donor budget reports for mangrove restoration and agroforestry projects, aligning submissions with donor requirements and internal controls.

I also contributed to program implementation:

1. Initiated and led a coral reef social awareness program for primary school students (5+ schools, East and Central Java), including coral transplanting and beach clean-up in Situbondo, and contributed to mangrove conservation awareness activities, working across social and technical teams alongside my finance role.
2. Supported coordination and monitoring of women's training programs across approximately communities, including scheduling, planning, and field coordination.
3. Built a program tracking tool adopted by the social team across Java, covering awareness sessions, women's training, and social program activities.
